## Residential Alarms

The Watertown Police Department is in the process of updating its contact list for residences in Watertown that possess an alarm. For various reasons police need to contact a responsible individual at the residence. By developing a computerized file, the department is able to determine who at the residence should be contacted.

We are requesting the name, address, and phone number of individuals, listed in order of priority, who can respond within 30 minutes, and who have keys to the residence.

All residences with an alarm are urged to complete the form listed below. The form should be completed and returned to the police department as soon as possible. Persons with questions are asked to contact the Communications Supervisor or Officer Stacy Schroeder at the Watertown Police Department, 261-6660.
