

# 2010 Girl's Ponytail Softball League

Girls Ages 12-15

**REGISTRATION DEADLINE: APRIL 1, 2010**

### PONYTAIL LEAGUE (SLOWPITCH)

The ponytail league is a recreational slowpitch softball program for girls ages 12-15 who live within the Watertown Unified School District. Girls must be ages 12 to 15 on May 1, 2010 to be eligible.

#### REGISTRATION/GAMES:

Games are scheduled on Thursday evenings. An 11" softball is used. Standard softball rules are used; however all team members are included in the batting rotation to ensure that everyone plays. League play is set to begin on May 27 and run through July. The department allows girls to form their own team or register individually and be placed on a team by the department.

#### FORMATION OF TEAMS:

The department would like to continue the practice of allowing players in this league to play on the same team as their friends while attempting to keep teams well balanced with talent. Those wishing to play together should turn in registration forms together. The department will hold a meeting of coaches in an attempt to formulate rosters by a system that is agreeable.

#### INDIVIDUAL SIGN UP:

1. Submit the registration form with the player fee.
2. Department will be set up with a team.

**All interested players must return the registration form and player fee to the Park and Rec office, 515 S. First Street no later than APRIL 1.**

#### PLAYER FEES:

Tax Included

\$20.00/City resident

\$30.00/Non-city resident

#### INSURANCE

Injuries have been minimal in past years; however, parents should be aware of the inherent risks involved in all sport programs. We ask that parents make sure that their children are in proper physical condition when participating. The department does not provide hospital/medical coverage for participants of this program.

#### SPECIAL NEEDS

The department will make every effort to comply with the regulations associated with the Americans with Disabilities Act (ADA). In the space provided on the registration form, please list any special needs that the participant may have that would benefit his/her participation in this program. The department will contact you to discuss these needs.
