## **PRESS RELEASE**

### **LANE CLOSURE ON THE WEST SIDE OF S. SECOND STREET (SOUTH BOUND LANE) BETWEEN E. MAIN STREET SOUTH TO THE ALLEY**

#### **PROJECT: DS JOHNSON LLP FACADE REPAIR ON 106 S. SECOND STREET**

In response to a request from DS Johnson LLP to close a portion of S. Second Street – the south bound lane west to the west right-of-way line, the City of Watertown will be closing all of the south bound lane of S. Second Street between E. Main Street south to the alley. The west side sidewalk will be closed along with west side parking through that area. Residents of 106 S. Second Street will be able to access the S. Second Street entrance during façade repairs.

Only the north bound lane of S. Second Street, east side parking, and east side sidewalk will remain open through this area.

The project is slated to last approximately four (4) weeks and encompasses making façade repairs to 106 S. Second Street and should begin on or near the week of August 28, 2017.

If you have any traffic closure questions, please contact City Engineer, Jaynellen Holloway, at 920-262-4050. Times to call are: Monday – Friday, 8:00 a.m. – 4:30 p.m.
