### **ROLL CALL**

Roll call showed the following members present: Alderpersons Smith, Berg, Kuehl, Zgonc, Coughlin, Tietz, Stocks and Romlein. (8) Absent: McFarland (1). Also present were Fire Chief Greg Michalek, Police Captain Mark Meddaugh, City Attorney Will Gruber, City Engineer Jaynellen Holloway and City Clerk/Treasurer Cindy Rupprecht.

### **PLEDGE OF ALLEGIANCE**

The Council recited the Pledge of Allegiance to the American flag.

### **MINUTES OF PRECEDING MEETING**

Mayor David inquired if there were any additions or corrections to the minutes of the meeting held Tuesday, February 4, 2014. Alderperson Kuehl pointed out that in roll call it showed Alderperson Berg absent, when in fact, it should have been Alderperson Smith as being absent, with Berg present. There being no other additions or corrections, the minutes were approved as published.

### **COMMENTS AND SUGGESTIONS FROM CITIZENS PRESENT**

Susan Dascenzo, representing the Watertown Main Street Program and Chamber of Commerce was present to discuss several issues. Susan pointed out that recently Upper Krust closed and the recent announcement that American TV was also closing its stores was a concern. A survey she recently saw indicated that 5% to 50% of brick and mortar stores would be going out of business. Susan wishes that, when the city is updating its Comprehensive Plan, they work with the Chamber Main Street Program to address the issue of potential vacant buildings should this type of event occur in the Watertown area. Susan also pointed out that the Art on Banner Program is going underway and they are recruiting artists to paint banners that would be displayed in the downtown area. There is also a landscape project that will be happening in the Downtown Plaza. Susan also pointed out that this summer; approximately 5,000 tourists will be coming, due to the ball games that will be held at Brandt Quirk Park. She hopes that the city does a great job of rolling out the red carpet to welcome these additional guests. Finally, her last point was that the M to N Race Sessions will be beginning, with the first one being the Jig Jog on March 15<sup>th</sup>. These are different race sessions going from March to November, thus the name, M to N Race Sessions.

David Wambach, who is running for re-election as Circuit Court Judge, Branch 3, was present to invite Alderpersons to provide any information or concerns as it may relate to the circuit court system.

### **PUBLIC HEARING**

Mayor David declared open the public hearing at 7:08 p.m., regarding the rezoning of 1115 Chenango Street, from SR4, Single Family Residential, to GI, General Industrial. Tom Reiss, owner of Reiss International, 319 Hart Street, was present to express his concerns as it relates to traffic and parking. The driveways to their office area enter and exit onto Chenango Street and there are times when visibility is difficult with parking on both sides. He is not opposed to the rezoning request but had concerns if what is being proposed for the property will add to the parking problems. Joe Ellis, 308 W. Spaulding Street, who has the property listed, informed the Council that the rezoning is requested for the ability to build a warehouse. Mr. Ellis agreed that parking is an issue and would recommend that this be looked at as well. He stated that the warehouse would not be contributing to the parking problem. There being no further comments, Mayor David closed the public hearing at 7:13 p.m.

### **COMMITTEE REPORTS**

The following reports were presented and contained the following items:

**FINANCE COMMITTEE, February 10, 2014. 1. Discuss the 2014 Finance Plan for borrowing for the City of Watertown.** Brad Viegut of R.W. Baird was present to explain the proposed borrowing plan. The initial plan, which was originally \$2.5 million, based on the 2014 Budget, has now been increased by \$800,000.00 to include a Radio Communication System for the Police and Fire Departments. Several options were discussed, whether the entire amount should be borrowed, whether Fund Balance should be applied, or a combination of both. Brad explained the importance of keeping our Fund Balance as high as possible. Even though our current policy recommendation is from 10% to 20%, our Fund Balance really should be between 20% and 25%, based on current financial recommendations. Motion was made by Alderperson Smith to go ahead with the borrowing at \$3.3 million, to include the Radio Communication System, seconded by Alderperson Tietz and passed unanimously. **2.
